# Andrew J. Sartorius

Attorney working for The Missouri Bar developing continuing legal education

Taught at Lincoln University for several years

Each year is a new format (trying to find what works)

Father of Two (with a baby over break)

# Albinism

Awesome white hair... Terrible vision

Because of that please just say my name to get my attention. Raising hands won't work

Also, please make sure that anything you turn in is legible. I can't grade what I can't see

# Class Project

We will have a paper that will be announced in the coming weeks.

The paper will be 7 pages double spaced with 12 pt Times new Roman font. One inch margins are also required. Tricks will be found and are not tolerated.

I may do a word count instead but it will be substantially similar to the forgoing length.

These will be due the second to last week of class.
